

Station XII Jesus dies on the cross.

(Wednesday)

**We praise you O Christ and we bless you;
For by your holy cross you have redeemed the world.**

John 19. 25-30.

We pray for the bereft.

We pray for those who await the death of a loved one.

We bring before God those we love but see no longer.

We pray for Christ's presence in our loss and grief.

Lord Jesus, give us grace to follow your steps and walk with you.
