

Station IV Jesus meets his mother Mary

(Monday)

**We praise you O Christ and we bless you;
For by your holy cross you have redeemed the world.**

Luke 2. 33-35.

We pray for mothers and fathers.

We pray for all who see their children in distress.

We thank God for Jesus' birth into a human family and pray for the families we grew up in and are part of.

Lord Jesus, give us grace to follow your steps and walk with you.
