

Station IX

Jesus falls the third time.

(Wednesday)

**We praise you O Christ and we bless you;
For by your holy cross you have redeemed the world.**

Psalm 38. 3-8.

We pray for all in despair.

We pray for all those who keep on trying, though they live with failure.

We ask forgiveness again for the habitual sins we barely notice any more.

We hold before God the times when we just feel like giving up.

Lord Jesus, give us grace to follow your steps and walk with you.
