

## **Station I**      Jesus is condemned by Pilate

(Monday)

**We praise you O Christ and we bless you;  
For by your holy cross you have redeemed the world.**

Matthew 27. 11-14, 24-26.

We pray for all who administer justice and work to uphold the law.

We pray for the wrongly condemned, the unjustly imprisoned and the persecuted.

We repent of the times we have taken the easy way out and when we have condemned others.

We pray we will always stand for what is right and regard others with compassion.

**Lord Jesus, give us grace to follow your steps and walk with you.**
